

CAMTC Application for Recertification Instructions

Most of the questions in the application for recertification are easy and self-explanatory. We have only included instructions for the ones that may pose some challenge for you. Before starting the recertification application process, please read ALL of the instructions.

Question 3

This address must be the street address where you reside and cannot be a P.O. Box or other mail drop location. Please be aware that it is your responsibility by law to update CAMTC within 30 days if this information changes. With your ID and password, you can update this information online anytime by going to the link on the Massage Professionals web page at www.camtc.org.

By law, you are required to provide your primary email address, if you have one, and notify CAMTC of any change in your primary email address within 30 days of that change. Please enter the two (2) best email addresses where you can be reached by CAMTC. Your email address information is confidential and will be used exclusively for notification purposes related to CAMTC matters of importance to you. If we need further information while processing your Application we will contact you via email. Please be sure to keep your email address current and to check your emails in order to receive CAMTC updates and alerts.

Question 5

For each business location where you are CURRENTLY working on paying massage clients, please enter the business name, contact person, address, telephone number, email address, and website address. Please provide your start date at this location. Next, select the work status that most closely fits your situation: "Employee," "Independent Contractor," "Paying for Use of Space," "Self-Employed," "Owner," "Employer," "Manager," "Instructor," or "Other." If you are currently working at more than two locations, please add the same information for each location where you are currently working on a separate sheet of paper attached to the application.

Question 6

Please provide information here for all of the business locations where you have provided massage to paying clients (but are not currently working at) in the past 10 years. You are required to provide information on ALL of the business locations where you provided massage for compensation in the last 10 years, regardless of how short of a period of time you worked there. This question is only asking about **business locations** where you provided massage for compensation, and does NOT include locations where you provided massage on

an out-call basis. Please provide all of the information requested, including start date and end date.

Please also provide copies of any documentation you have in relation to the action taken against you (for example – copies of administrative citations, judgments, receipts for fines paid, final decision letters from the agency that took action against you, etc.).
